The orange will be used to emphasize text since it is a bright color.
The blue will be for headers since it is not too bright.
The gray will be for "breaks" for the eyes since it's a subtle color.

THE FACE OF THE MOON WAS IN SHADOW.

LAYOUT

Pages will flow easily from one another because they will have similar header and footer. The main section is what will really change but not too drastically.

DESIGN COMPONENTS
Every page: Logo, navigation, and footer
Home page: Events section, about section (article), and brochure section with social media links section
Education Outreach page: About section and an aside for links
Contact us page: contact us section, FAQ aside, and newsletter sign up aside
